History: This message has been replied to.

I'm listening on the call. Joined in a couple of minutes after the call had started. It sounds like Betsaida is pushing these to R3 right away. I may be able to look at the docs, but not until I get home tonight. Currently still in Potomac Yards.

Tito

Subject: Fw: Fw: Dimock materials - DT comments

Here are my only two comments on the Q's and A, which then need to go into the desk statement. The document ends with OEM.doc. Tito, Larry, others?
